

# Psychiatrists

This is your opportunity to live and work in Hawaii! The Adult Mental Health Division of the State of Hawaii Department of Health is recruiting for psychiatrists. We have openings for psychiatrists to work in outpatient and inpatient settings in the Community Mental Health Centers and community hospitals on various islands. We also have openings for inpatient psychiatrists at the Hawaii State Hospital in Kaneohe, on the Island of Oahu.

Employment with the State of Hawaii offers competitive salaries and benefits. New salary bands have been established which take into account training and experience. Benefits include 21 days of vacation per year, 21 days of sick leave per year, 13 paid State holidays, liability insurance, medical/vision/dental insurance, and a generous pension plan.
